

## Newsflash

### EBV Elektronik adds NanoXplore to its Linecard

**Poing, Germany, 27<sup>th</sup> October 2020** – EBV Elektronik, an Avnet company (NASDAQ: AVT), and NanoXplore have signed a distribution agreement for EMEA. NanoXplore is a privately-owned fabless company based near Paris offering a comprehensive portfolio of SoCs and FPGA devices primarily targeting markets like aerospace.

With NanoXplore EBV customers will get access to advanced, silicon-proven mature technologies up to 28nm on leading foundries. Its product portfolio includes a range of leading radiation-hardened FPGAs from low-end to high-end. They're typically used in critical systems operating in harsh environments, such as in space or at high altitudes, as well as in high-energy physics subsystems.

NanoXplore has chosen EBV as the franchised European distributor in order to extend its share in the Space FPGA market and other niche markets such as defense, aeronautical, medical.

#### **About EBV Elektronik**

EBV Elektronik, an Avnet (NASDAQ:AVT) company, was founded in 1969 and is the leading specialist in European semiconductor distribution. EBV maintains its successful strategy of personal commitment to customers and excellent services. 240 Technical Sales Specialists provide a strong focus on a selected group of long-term manufacturing partners. 120 continuously trained Application Specialists offer extensive application know-how and design expertise. With the EBVchips Program, EBV, together with its customers, defines and develops new semiconductor products. Targeted customers in selected growth markets will be supported by the Vertical Sales Segments. Warehouse operations, complete logistics solutions and value-added services such as programming, taping & reeling and laser marking are fulfilled by Avnet Logistics, EBV's logistical backbone and Europe's largest service centre. EBV operates from 65 offices in 29 countries throughout EMEA (Europe – Middle East – Africa). For more information about EBV Elektronik, please visit [www.ebv.com](http://www.ebv.com).

#### **About Avnet**

Avnet is a global technology solutions provider with an extensive ecosystem delivering design, product, marketing and supply chain expertise for customers at every stage of the product lifecycle. We transform ideas into intelligent solutions, reducing the time, cost and complexities of bringing products to market. For nearly a century, Avnet has helped its customers and suppliers around the world realize the transformative possibilities of technology.
