## Bill of Lading and Routing Instructions:

1. Billed weight is determined by the greater weight; actual weight or dimensional weight.
2. **Should you have a shipment that is greater than 8,000 lbs. (either actual or dimensional) contact Avnet transportation for shipping instructions.**
3. Any shipment weighing less than 151 lbs. should be shipped via FedEx (unless this shipment is palletized or has a value in excess of \$50,000.00). Should this requirement be violated, excessive charges may be debited to your account.
4. All shipments must move ground (transit time is 3-5 days) unless authorized by the materials department. If freight ships any other method other than ground without authorization from the above department it may result in excessive freight charges being debited to your account.
5. All shipments must be called in prior to 15:00. Should a carrier receive a pickup call after 15:00 additional charges may be debited to your account.
6. All shipments must be picked up prior to 17:00. Should a carrier need to make a late pickup additional charges may be debited to your account.
7. **Do not insure or declare a value unless specifically instructed to do so by Avnet.**
8. Please consolidate shipments for any one day on one Bill of Lading.
9. If the value of the shipment is greater than \$50,000.00 please ship this on the appropriate heavyweight carrier.
10. Indicate purchase order number(s) on packing sheets, Bill of Lading, Airbills or online system.
11. **Both pallet count and piece count must be indicated on Bill of Lading, Airbills or online system.**
12. Should you need an account number please contact the Avnet transportation department.
13. Any shipment sent collect with a non-authorized carrier will be charged back to the shipper.

## How to determine the total chargeable weight for ground shipments

$$\text{Dimensional weight in pounds} = \frac{\mathbf{L \times W \times H}}{\mathbf{194}}$$

**L** = Length in inches  
**W** = Width in inches  
**H** = Height in inches

The instructions in this document supersede previous shipping instructions and are to be followed except when authorized by our Materials Department. Excessive freight charges due to shipments being tendered contrary to our instructions may be debited to your account.
